Agenda Item No. 15

Agenda Item: Land Legacy Project update

Approved by: TTT

Prepared by: Gregg Servheen

Background:

Department staff has been moving forward with the Land Legacy project and is providing status reports and a description (action plans) of how we propose to proceed with the following: 1) Idaho Land Legacy report, 2) settlement agreements for wildlife mitigation debt with BPA and Tribal partners, 3) sale of surplus lands, and 4) establishment of a Land Legacy Trust or Endowment.

Policy issues:

Negotiating with BPA, public involvement, land sales, establishment of trust

Public Involvement Process:

None as of yet

Justification:

Assure that the Commission and Department staff have a coordinated approach on this project.

Action Requested:

Discussion and direction on process

Staff Recommendations:

Continue efforts of Idaho Land Legacy Project
